

GRANVILLE ISLAND EVENTS POLICY and GUIDELINES

INTRODUCTION:

Granville Island is a vibrant cultural district located in the centre of Vancouver, minutes from downtown, surrounded by ocean, cityscape and mountain views and providing a haven for locals and tourists from around the world. It attracts millions of visitors each year, and is a favoured location for photographers, filmmakers, and event organizers. It is administered by Canada Mortgage and Housing Corporation (CMHC), a federal crown agency of the Government of Canada, and is financially self-supporting.

Particularly in the summer months, Granville Island is a very busy place, with more than 300 businesses employing approximately 3,000 people, including theatres, restaurants, artists' studios, a hotel, and a public market. As an arts and cultural destination, Granville Island hosts many events island-wide from large scale festivals to smaller events. There are a variety of public spaces and venues that are available for events.

Due to the demand for space on Granville Island, this policy has been developed and is administered by the Public Affairs & Programming Department of CMHC Granville Island.
